Why should I get it?

Whether you've been serving for decades or your military career has only recently begun, Simple Term is a life insurance policy that's easy to get and affordable to maintain. It also stays with you even after you leave your military service behind, unlike SGLI. It can be much more affordable than VGLI. And it's from AAFMAA — a trusted life insurance and financial solutions provider that's been serving the military community for more than 144 years.

What are the benefits?

Simple Term makes it easy to get started with meaningful security for your loved ones without a long or convoluted process.

- You can qualify and be approved for Simple Term by answering just 5 simple questions online.
